Twenty-Seven Million Cases Cholera In Russia

Horror of Pestilence Might Easily Be Spread Over Entire World

Farmers Give No Inkling of Cabinet NO ONE NATION Four Men Are Seriously Injured Selections; Discussed Irrigation and Will Attempt Relief at First Moment

som at the Macdonald hotel.

Secrecy to the greatest extent possible is being observed by the farmers both in our ut of conference. The official communique issued after the conclusion of the frist day's ight carried nothing more of importance than the fact that the farmer members had deriousness of the situation existing in the drought-stricken areas of the south and in other hat it would be one of their first duties when in office to attempt a remedy and a relief. Not the least intimation as to be personnel of the Greenfield whent could be learned beyond the fact that do his rownies, Lynch and the fact that do his rownies, Lynch and the fact that do his rownies, Lynch and the farmer beyond the farmer's description of the situation existing the state of the situation existing the situation of the situation of the farmer's better that the sound is situation of the situation of t

Authority
LONDON, Aug. 11—(Canadian
Preas)—In the House of Lords
today Lord Asquith inquired regarding the famine in Russia and
asked whether measures were begarding the famine in Russia and
asked whether measures were bespread of chelera to the dominions. Lord Alfred Emmott said
Russia was faced with a terrible
catastrophe that would react on
the whole world, and it was the
duty of the government to do its
under the state of the second of the
transport of the property of the
Lord Anthony McDonnell that no
government in the world is capable of coping with the calamity
threatening castern Europe.
The only practical system, he
thought, was the one elaborated
there, wherein he most impersuaters wherein he most impersua-

The Liberal Chapter Closed

The Stewart Government resigns today. This closes a period of sixteen years of Liberal rule in the Province of Alberta. There premiers have held office in succession: Hend A. C. Rutherford, Hon. Arthur Sifton and Hon. Cranter Stewart. Each professor was a construction as a whole, it can diministration as a whole, it can fairly be said that these principles have been lived up to and heavy and constructive. It is the rule of the majority for the good of all. The allers are not all the majority for the good of all. The allers are not all the majority for the good of all. The allers are not all the majority for the good of all. The allers are not all the majority for the good of all. The allers are not all the majority for the good of all. The allers are not all the majority for the good of all. The allers are not all the province of the majority for the good of all. The allers are not all the province of the majority for the good of all. The allers are not all the province of the province in the

The Greatest Values Ever Given In Fine Clothes Tailored-To-Measure

MIND you the fabrics we are selling are not cheap "sale" goods bought to sell at low prices.

English & Scotch Woollen Co. (now in Liquidation)-there are many thousands of yards, among which you can find exactly the color, pattern and weight material you want. The values are beyond description-but if you will visit one of the 43 stores a glance at the fabrics and the extremely low prices at which they are marked will be sufficient to prompt you to immediate action in ordering a liberal supply of Tailored-to-Measure Clothes.

Suits & O'coats Tailored to Measure
